

In year 2 this term we have been very busy!

In Literacy we have been using recurring language and rewriting our own versions of little Red Riding Hood.

In Maths we have been learning about 2D and 3D shapes as well as working with money and time.

In Geography we have been looking at hot and cold climates around the world. We especially enjoyed learning about the different animals that live in deserts and the Antarctic.

In Science we have been learning about habitats, we even got to go over to Whithern Park and look at some micro habitats up close.

In Re we have been learning about Christianity and why people go to church.
