

^We had our first ever Spelling Bee at the end of the term! The rounds included Anagrams, Which is Witch and Think like a teacher!

< In Science we have been learning about forces. We have been investigating balanced and unbalanced forces using balloons and straws!

< During DT week we became French Culinary Masterminds!

^In Art we have been looking at David Hockney. We made these tiles as Pop Art finale!

# YEAR 5 SUMMER TERM

<In RE we have been looking at the key concepts of the Bible which have been illustrated by Emma Yarlett. We looked at them in great depth during a Silent Discussion!

< For Geography week we took a trip to the Old Pond and Brookfield Farm. We completed various field work tasks and then analysed the data! It seems the people of Cheshunt want less take away shops.

In Math we have really focused on our mental fluency when working on the four operations. >
