### Statement of intent

At Dewhurst St Mary the Pupil Premium Grant funding is targeted to ensure that all disadvantaged pupils receive the highest quality of education to prepare them for the next step in their educational journey. We use funding for disadvantaged pupils to further embed the foundations of our school code of conduct: be ready, be respectful and be safe, and ensure pupil's use these skills to become happy and contributing citizens of the future, leaving our school as confident individuals who are aware of how important they are and use our school vision, having the courage to challenge themselves, overcoming barriers and difficulties. All staff recognise the varying barriers that disadvantaged children can face that may impact their learning.

## Strategy aims for disadvantaged pupils

Measure	Activity
Priority 1 - Phonics	Ensure all relevant staff (including new staff) have received paid-for training to deliver the phonics scheme effectively
Priority 2- Writing	To increase AfL and feedback marking for these pupils. Support provided in early Lexia sessions daily.
Barriers to learning these priorities address	Ensuring staff use evidence-based whole-class teaching interventions eg Education Endowment <a href="https://educationendowmentfoundation.org.uk/guidance-for-teachers/using-pupil-premium">https://educationendowmentfoundation.org.uk/guidance-for-teachers/using-pupil-premium</a>

### Our overarching objectives are to:

Remove barriers to learning created by family circumstance and background;

- Develop confidence in pupils ability to communicate effectively within a wide range of contexts;
- Enable pupils to look after their social and emotional wellbeing through self-regulating their behaviours;
- Access a wide range of opportunities, both through school and home, to develop their knowledge and understanding of the world;
- Ensure all pupils are able to read fluently and have an understanding of the importance of the lifelong skill of reading.

### In order to achieve our objectives we will:

(This is not an exhaustive list and will evolve based on the needs of the pupils)

- Provide all staff with high quality CPD to ensure that pupils access quality first teaching;
- Provide targeted intervention and support to address immediately identified gaps in learning;
- Provide targeted intervention and support to challenge children towards achieving Greater Depth;
- Provide opportunities for families and the wider community to develop their own knowledge in order to support their children;

**Provide appropriate nurture and development opportunities to enable pupils to effectively regulate their own behaviour both within and beyond the classroom.**

i. Quality of teaching for all					
Desired outcome	Chosen action / approach	What is the evidence and rationale for this choice?	How will you ensure it is implemented well?	Staff lead	When will you review implementation?
To continue to build on the proportion of PPG children making good or better progress in all subjects across KS1/2	School employs a High Level teaching assistant to work in Y5 and an additional highly trained Teaching Assistant to work across both KS1 and KS2 to provide bespoke targeted interventions as and when required. Focused grouping Quality first teaching Intervention groups Staff training	Data analysis shows that increasing the number of children making good or better progress is a whole school target. Focusing on pupils eligible for the PPG will ensure that they are given every opportunity to achieve in-line with their peers. Focused grouping will allow highly targeted, quality first teaching with a strong emphasis on differentiation and the achievement of personal targets. Intervention groups will, and address any areas of misconception rapidly. Immediate feedback and marking allows children to make accelerated progress. To give targeted social and emotional support to those eligible for the PPG and their families.  To provide specialist provision to support pupils with emotional, social and/or	Family Support (BCW)  To provide Play Therapy: a Nurture Group, Lego Therapy and Social Skills group.	Pupils respond well to support in place and it enables them to be more emotionally ready to learn. Virtual counselling continued throughout lockdown. Regular calls to families took place.
To provide additional extra-curricular opportunities for PPG children.	Subsidised travel expenses and costs for residential trips offered to PPG children to increase uptake in adventurous opportunities.	Although only in place until December 2020, this strategy proved to be successful, providing PPG pupils with a wide range of cross curricular activities increasing their 'cultural capital' and broadening their life experiences.
The attendance of PPG children improves. Increased attendance rates for pupils eligible for PPG. Reduce PA level of PPG pupils	Regular meetings with AIO. Sending letters, liaising with the AIO sending penalty notices etc. HT to become involved with families whose attendance falls below 95% and offer the families a clinic explaining the detrimental effect of missing school.	The current system works well to encourage best attendance for all pupils. Obviously Covid hindered attendance on many levels.
