'Let your light shine' Matthew  
5:16

This half term's school value;

**RESPECT**

We explore the Christian  
teaching that every child and  
adult is made in God's image  
and is uniquely precious and  
worthy of respect and kindness.

## Inspiring all to 'Dream, Believe, Achieve'

### Yr 2 Trip to Whipsnade Zoo

On Wednesday Year 2 pupils had a great time exploring all the different animals from different continents of the world. They saw elephants, rhinos, giraffes, tigers, zebras, bears, penguins and many, many more species. Well done Year 2 you did a lot of exploring that day and your behaviour was exemplary.

### Yr 3,4, 5 and 6 Medical Mavericks Workshop

It was amazing to see the pupils using an ultrasound to see inside their body, having a go at performing keyhole surgery, learning how to take 'blood' from a fake arm and printing an ECG. The Sports Science Activities included a virtual race against Usain Bolt, recording ball speed, testing their strength and agility ability and much more. Thank you to all the parents who have already made a payment if you still need to do this please make this contribution of just £5 via the Schoolcomms App to support this exciting enrichment opportunity. The team also discussed careers in this field too, hopefully inspiring the next generations of medics and scientists.

### Family Bingo Evening

It was a warm evening but this didn't stop the concentration when listening for the numbers to be called. So lovely to do an activity that pupils could participate with. A special mention to the professionalism of the bingo caller, Hannah, who managed to keep the crowds under control and did a great job of calling the numbers.

### Father's Day Stall

This was such a great opportunity for the pupils to be able to choose a gift for Father's Day. Lovely to see them working adding up and calculating the change. Another huge thank you to FOD's for giving up the time to organise the stall and run this throughout the day.

### Doodle Learning

Wow well done Year 2 you are top of the leader board with a whopping 1356 stars collected! An well-earned extra playtime for you again this week.
